

Building Capacity & Inspiring Excellence

Part of our
Building Capacity
training programme

Refreshing and Updating your Monitoring and Evaluation skills.

Supporting peer reviews.

At a glance

Duration: One day.

Audience: Senior Leaders and Middle Leaders who have previously participated in a full programme school review training.

Aims

- Hone rigorous monitoring and self evaluation skills that builds capacity and drives school improvement.
- Recognise the impact of the CIF and NNC on the monitoring role.

Refreshing and updating your Monitoring and Evaluation skills

Supporting peer reviews.

This highly relevant and up to date one day course is intended for senior leaders and aspiring senior leaders, who have previously participated in a full programme of school review training.

Through participating in this course, delegates will refine and refresh their monitoring and evaluation skills in line with changes to the curriculum and inspection regime, that can be used as part of the peer review process of partner schools.

Course Outline

Session 1.

Understanding the impact of the New National Curriculum and Common Inspection Framework on the monitoring role.

Session 2.

Evaluating and analysing data and school documentation in line with New National Curriculum.

Devising focussed lines of enquiry.

Session 3.

Evaluating teachi, learning and assessment: an update.

Session 4.

Evaluating CTI. Recognising the raised expectations for leadership and management including safeguarding.
