

Building capacity & inspiring the future

Part of our  
Building Capacity  
training programme

# Teaching to the Top.

**Getting the most out of observing teaching, learning and assessment in light of the New National Curriculum and Common Inspection Framework..**

## At a glance

Duration: One day

Audience: Middle Leaders and  
Aspiring Middle Leaders.

## Aims

- Recognise high quality teaching learning and assessment practices.
- Hone delegates use of the common inspection framework and New NC when observing and evaluating the quality of teaching, learning and assessment.
- Refining skills in gathering a range of evidence when evaluating teaching, learning & assessment especially to secure the quality of teaching & learning overtime.
- Enhance evaluative writing and feedback skills.

# Teaching to the Top.

Getting the most out of observing teaching, learning and assessment in light of the New National Curriculum and Common Inspection Framework.

---

This one day interactive course, aimed at middle or aspiring middle leaders, enhances delegates evaluative lesson observation skills including importance of focussed and constructive lesson feedback.

---

This practical course also provides delegates with an increased understanding of what 'teaching to the top' really means, and how to evaluate the quality of teaching over time.

# Course Outline.

## Session 1.

Teaching to the top: what does this mean in practice?

Recognising the links between the Common Inspection Framework and New National Curriculum and how these support effective and outstanding teaching, learning and assessment.

## Session 2.

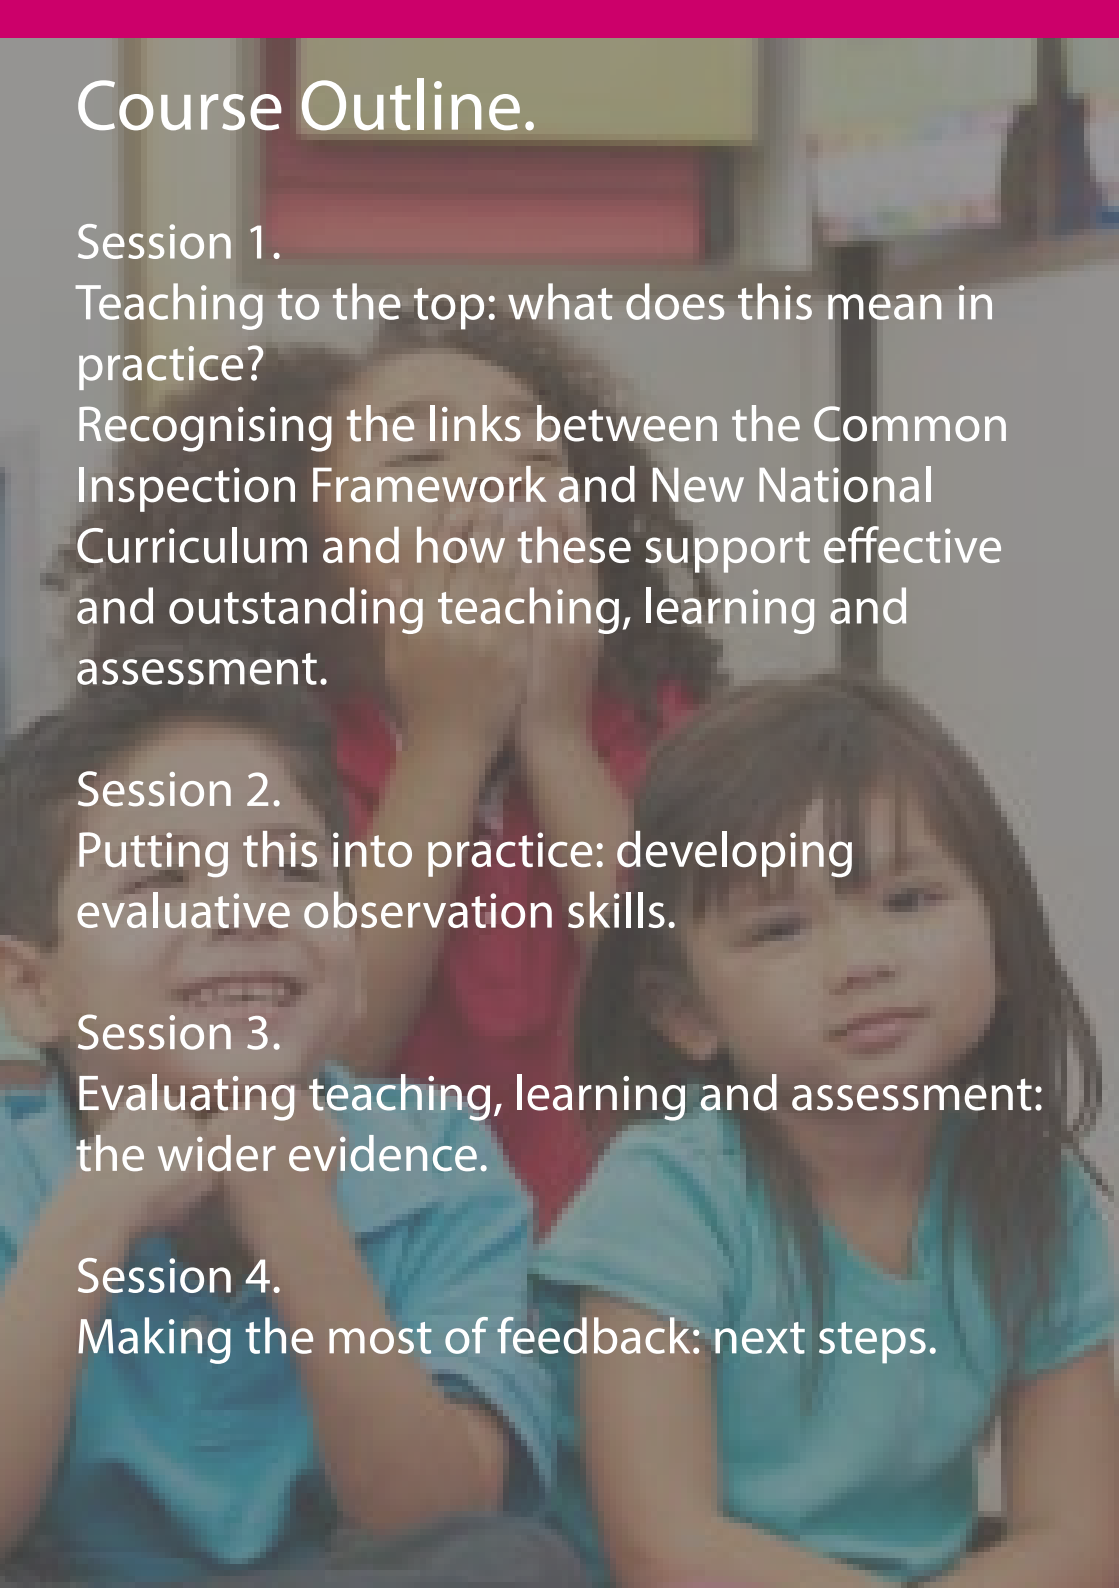

Putting this into practice: developing evaluative observation skills.

## Session 3.

Evaluating teaching, learning and assessment: the wider evidence.

## Session 4.

Making the most of feedback: next steps.
